

# Environmental, Process and Electrical

## Portable, On-line and Recording Instrumentation

- Air Flow
- Anemometers
- Calibrators
- Clamp Adapters
- Clamp Meters
- Coating Thickness Gauges
- Conductivity / TDS
- Dew Point Meters
- Data Loggers
- Dissolved Oxygen
- Durometers (Shore A + D)
- Event / Status Loggers
- Force Gauges
- Hardness Testers
- Heat Index (WBGT)
- Humidity Transmitters
- Hygrometers
- Infra Red Thermometers
- Insulation Testers
- LAN Cable Testers
- Lux / Light Meters
- Lux / Light Transmitters
- Manometers (digital)
- Melt Pressure and Temperature
- Panel Meters / Controllers
- pH/ORP Electrodes
- Power, Energy and PF
- Pressure Test Pumps
- Pressure Transmitters
- Process Indicators
- Roughness Testers
- SMS Alarm Units
- Sound / Noise Meters
- Stroboscopes
- Tachometers
- Temperature Transmitters
- Thermometers - Digital
- Thickness Gauges
- Torque Testers
- Velocity Meters
- Vibration Meters
- Weather Loggers
