

VA8070 Absolute pressure meter / Barometer

The VA8070 is a portable digital barometer for the measurement of absolute pressure.

e.g. for pressure compensation in velocity measurement in ducts, laboratories and production processes.

Barometric measurements and height measurements between two points are also possible.

SPECIFICATIONS:

Measure	Pa, hPa, mbar, mmH ₂ O, mmHg, inHg, inH ₂ O, psi, Relative altitude
Range	300~1,200 hPa, 120.4~481.8 inH ₂ O
Resolution	0.1 hPa, 0.1 inH ₂ O
Accuracy	±3.0 hPa, ±1.2 inH ₂ O
Special function	Auto power off; Data hold; MAX MIN; Back light
Battery	DC1.5V (AAA) x 3pcs
Complete with pouch case, batteries, manual and cover	

Distributor:
